

Dear Parents and Carers,

We've had a lovely week with our Spring theme, as we enjoyed lots of outdoor play in the sunshine. The children have recognised the numbers on flowers, counted out cubes for the stems and added pegs to the petals. Both activities are not only consolidating their number recognition, but built strength in their fine motor skills. We set up a little garden centre shop for the children to role play with their friends and have had lots of opportunities for planting and looking after the flowers and strawberries in our garden.

Thank you to all the parents that came along to our Mother's Day event on Thursday. It was so wonderful to see everyone playing together, creating gifts and crafts and getting time to catch up and chat with other parents.

Next topic is 'Easter'

### Parent Phone Calls

Please check your Tapestry account for your day and time. The calls are 10 minutes long. We'd appreciate you being at your phone ready and waiting for our calls!
