

Newsletter Friday 17th September

Dear Parents/carers,

In a couple of weeks, we will be starting our intervention groups. For some children, in addition to the activities with their Key Person, they will attend a small focus group two or three times a week. This is a fun, active session run by one of our teachers first thing in the morning. Each session has a focus, targeted towards the needs of the individuals in the group.

The children will be chosen by their Key Person if it is felt they require additional support. If we would like your child to join the group, we will ask for your written confirmation beforehand. We have chosen children who would benefit from some fun games to help develop either their speech and language skills, their communication with friends and adults or social skills with peers.

We feel some extra games each week will further support their progress towards meeting their age related expectations. Grouping children together, who have similar next steps, makes a more targeted approach to teaching and as a result children will make good or better progress.

There are lots of children we have grouped together throughout the week, so if your child has been chosen this is a positive intervention into their development at such an early and important stage in their early years. If we believe your child needs additional support beyond the intervention groups we run and may need external agency involvement, we will be in touch and set up a meeting to discuss.

To encourage the children to our sessions we give them a special Golden Ticket to attend. The children love the idea of the ticket and joining a special group where they have quality time to play fun games with their friends.

If you have any questions, please feel free to ask Malgo or your child's Key Person.

Dates to Remember

Fri 22nd Oct New 2-Year-Olds will receive a 2 year check report. New
3-year-olds will receive a Summary report
Half Term

Monday 25th October – Friday 29th October

Mon 1st Nov Return to nursery
