

Dear Parents and Carers,

We have had the most exciting week with all our Easter activities and then topped off with a real fire engine visiting our preschool. During the week we've pretty much done everything we can with eggs!! We've rolled them, matched them, stuffed them, painted with them and rescued them from a web. The children have designed their own patterns, rolled patterns with playdough and made Easter Cards.

On Thursday, the Fire Engine pulled into our car park bang on time ready for the excited children. Beady eyes stared through the windows eager to explore. The firefighters were absolutely brilliant with the children. Those children that wanted to, got to go inside the fire engine, try on the helmets and even hold onto the hose and shoot water across the car park narrowly missing the passersby!

Next week is a short week with only 2 days, so we'll continue with our Easter theme. After Easter we'll start our Spring theme.

Reminder – we break for Easter on Tuesday 26th March.

Parent Phone Calls

Thank you for a successful week of parent consultation phone calls. It's been a mammoth task to plan 60 calls across the week but it's gone surprisingly well! There are still some phone calls planned for next week.

Thank you to all the staff who have spent some of their own time writing notes and targets to share with you.

Important Dates

Spring 2

Last Day - Tuesday 26th March
