Children's Workshop NEWSLETTER

November 6th 2026

Reminders:

👕 Please ensure bags are reset with winter clothing, all labelled with lots of spares.

🌦️ With the change of weather, please return with puddle suits and wellies as the children will still be getting outside in all weathers.

🥜 Please remember to pack a nut-free lunch, this includes pesto.

Important Dates:

Term dates:
September 9th – October 16th
2nd November – 17th December
Christmas holidays: 18th December – 1st January

Back at nursery: January 4th 2027

Dates for your diary:

Progress review phone calls – WC: November 16th

Mince pie and mingle event – December 17th

RAINBOWS' NEWSLETTER

PHOTO HIGHLIGHT

WHAT WE'RE LEARNING

This week in Rainbows Room, we have been eploring colours and patterns whilst also looking at Diwali and Fireworks night. There were some lovely conversations surrounding the children's personal experiences of fireworks.

The children have been wonderfully creative this week, using paints to make their own fireworks pictures, mark making and creating their own pictures using fireworks as inspiration.

Outside the children have enjoyed explored patterns by copying patterns and mixing different colours to see what colours they could make!

This week we introduced our new Book of the Week Bag! Each week, we will choose a special story to share with the children. Throughout the week, we will explore the story, get to know the characters and become familiar with the book through lots of fun and engaging activities.
Our first book is 'The Dinosaur That Pooped a Zoo

We have observed lovely turn taking this week and really thoughtful sharing.

SUNBEAMS' NEWSLETTER

PHOTO HIGHLIGHT

WHAT WE'RE LEARNING

This week in Sunbeams Room, we have had a wonderful time exploring the exciting world of colours, lights and patterns through a variety of fun and engaging activities!

The children have shown fantastic curiosity and enthusiasm as they experimented with colourful torches, explored how different lights can change their surroundings and developed their colour recognition skills by matching objects to the colours they could see.

Our creative exploration continued outdoors, where the children enjoyed making beautiful firework patterns using sparkly foam, vehicles and small world toys. This provided lots of opportunities to investigate cause and effect, discover different shapes and marks, and use their imaginations through sensory play.

We also had lots of fun creating a beautiful piece of collaborative artwork using patterned rollers, experimenting with different movements, heights and lengths to make our marks. This was a brilliant way to encourage creativity while strengthening our core muscles and developing our fine and gross motor skills.

We are so proud of the children's growing confidence, curiosity and willingness to explore new things, and we can't wait to see where their interests take us next!

Children's Workshop

Golden Rules

1.

Be kind:

- Gentle hands
- Kind words
- Caring for our toys

2.

Be safe:

- Walking inside
- Hands to ourselves

3.

Be ready:

- Listening ears
- Looking eyes
