

Friday 15<sup>th</sup> July

This week's theme is all down to the children suggesting some ideas. William thought it would be good to learn about the colour red, which made us think about having a bright and cheery colour week. Asking for the children's ideas allows them to feel listened to, builds self-esteem and follows their interests meaning they are more likely to be engaged in their play. Putting the ideas in writing, allowed the children to see writing being used for a purpose, "I know, it's a list" Jack told us.

We have kept cool with a 'foot spa', spray bottles, and water trays filled with lovely cold water! Next week we plan on making it through the heat with plenty of ice play, water balloons and snacking on fruits high in water.

This week staff have been completing end of term reports which will be available from Monday.

**Last day of Term**

Thursday 21<sup>st</sup> July

12:00pm Pick up

12:15pm Graduation Ceremony  
(Reception Leavers will be brought out)
