PARENT INFO:

🏷 Please label belongings – including coats, jumpers, bags, bottles and shoes. You'd be amazed how many little jumpers look alike!

👕 Spare clothes – please make sure your child has a full change of clothes in their bag. With lots of messy play, water exploration and outdoor adventures, they often come in handy!

☀️ Ready for adventure – we love getting outside in all kinds of weather, so please send your child in comfortable, practical clothing and suitable footwear.

RAINBOWS'

RAINBOWS ROOM:

What a wonderful week we've had in Rainbows!

The children have had a fantastic time exploring all the different areas and are doing an amazing job settling into their new routines. We are so proud of how confidently they are finding their feet — what superstars they are!

Throughout the week, the children have enjoyed a wide variety of activities designed to encourage creativity, independence, communication and physical development. We introduced a short circle time, with our hello song and some familiar favourites. The children did a fantastic job joining in with the actions and showed lots of enthusiasm — it was lovely to see!

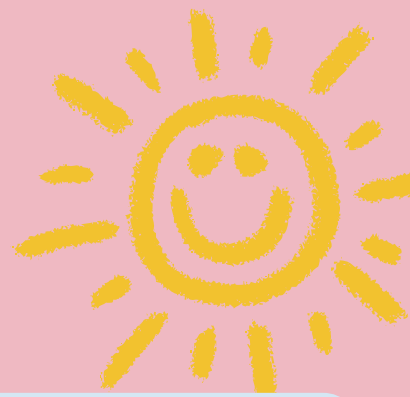

Outside, teamwork has been a real highlight. We have seen some wonderful imaginative and collaborative play as the children worked together to build towers, houses and pathways. There was also some brilliant group problem-solving as they experimented with wiggling rocks and leaves down the pipes!

It has been wonderful to see friendships beginning to grow and the children becoming increasingly comfortable, curious and confident in their new environment. We can't wait to see what next week brings! 🌈

SUNBEAMS:

SUNBEAMS ROOM:

What a lovely week we've had in Sunbeams! ☀️

It has been wonderful to welcome back our Sunbeams and introduce some new faces to the group. The children have done a fantastic job playing alongside one another, sharing and helping their new friends feel at home.

There has been lots of exploring, creating and learning through play. The children enjoyed measuring themselves against our cutouts, using words such as bigger and smaller to begin exploring early concepts of language, numbers and measurement.

Music, movement and story time have brought lots of smiles, with the children dancing to favourite songs, learning new ones and enjoying cosy stories together. Our sensory and Colour Monster play has also helped us begin to explore and talk about different feelings and emotions. Outside, the children have been full of adventure! Water play was particularly popular, with lots of pouring and experimenting with tubes, as well as some wonderful imaginative play creating food and drinks to share with friends.

We have been so impressed by the confidence, communication, kindness and sense of adventure the children have shown. What a fantastic start for our Sunbeams — we can't wait for more fun and learning together!
