WHAT WE'RE LEARNING

Our theme this week has been 'food' and has followed on nicely from the tiger who came to tea. Our children in rainbows have baked shortbread this week, working out measurements, sharing ingredients, rolling and cutting and they tasted amazing whilst sending the smell of a fresh bakery through the setting! This half term, Anna has been taking small groups of rainbow children in the afternoons for spanish lessons, they have been learning to say "hello", "goodbye" and colours in Spanish.

Creativity was on the menu for rainbow children, they drew their dinners on paper plates, made colourful doughnut art, printed with carrots, explored a baker's tuff tray, voted for their favourite ice cream flavour and even matched shape toppings to shape pizzas. They've also been following the journey of the very hungry caterpillar, reading the story, making paper chain caterpillars, and exploring our mini beast area to meet some tiny friends!

Sunbeams have loved our theme of food this week, with the hot chocolated filled tuff tray on Wednesday being a real highlight! We saw children pouring, mixing, sharing and even having a drink, a firm favourite I think. Sunbeams have also enjoyed learning the names of foods, talking about what they like to eat, and painting/drawing their own "food" on plates.

TAKE A CLOSER LOOK:

Value of the month:

Creativity.

I can:

- Explore with my hands, eyes and senses
- Try new things and give it a go
- Make pictures, dance to music and create stories
- Use different materials and tools
- Express my ideas and feelings
