

Newsletter Friday 24th September

Dear Parents/carers,

Monthly Values

At Flying Start Preschool, we understand the responsibility we have as educators to support children in the development of life values. We have recognised that children need to be given the opportunity to understand that they have a choice in the way that they behave. Each month we will focus on a different value to teach children important life-long skills. These important values will become a golden thread interwoven amongst our behaviour. We will teach children these important values through stories, music, play, modelling and everyday language. Please support our monthly values at home by talking and modelling.

Our value for SEPTMEBER is FRIENDSHIP

Friendship involves

- caring for each other,
- sharing ideas,
- respecting each other,
- having fun

At preschool we spend a lot of time supporting children to build friendships with their peers. All of our activities involve children engaging with others, whether it's learning to share, waiting patiently, role play, teamwork, spatial awareness, singing and dancing together.

Dates to Remember
