

Newsletter Friday 12th January 2024

Dear Parents and Carers,

We have had a lovely chilly week; the children have enjoyed warming up on our outdoor assault course and racing up and down on the scooters and bikes. Our theme has been 'Sense of Self' and the children have been busy making handprints and drawing around their hands, drawing maps and portraits, exploring different emotions and playing doctors and hairdressers. In addition to the maths opportunities all around the preschool, the children have been building 3D shapes, exploring numbers and identifying and sorting colours and shapes.

Thank you for all the family photos you've brought into preschool, we're going to display them so children can look at them through the day and talk about their families with their friends. The Parent Child reviews and weekly diaries have been very helpful and insightful. It's so good to see what your children get up to when they're not with us, especially all the clubs and daily routines. We're looking forward to seeing all the children's returned forms.

Next week our theme is 'Winter,' which fits nicely with these freezing temperatures.

Invoice Payment

Your Spring 1 invoice is due to be paid TODAY.

Friday 12th January 2024 please.

Important Dates
