

Friday 11th February

Happy Valentines to all our families! The children have been celebrating and sharing their love this week by decorating hearts which have been hung around Molesey for people to find. Please tag us on social media if you find one! Zach said “are they being put in the real Molesey, real Molesey where we live?” Yes Zach – REAL Molesey!

Have a wonderful Half Term break and we'll see you again on Monday 21st February.

On Wednesday, Alex from Pyjama Drama visited preschool and took the children on an imaginary journey through the story of Stickman. The children were absolutely enthralled and enjoyed singing, dancing and acting. We loved seeing how engaged the children were and have decided to invite Alex back each half term on different days to ensure different children have a chance to enjoy her stories.

This week's theme has been people who help us. Through role play, books and small world play the children have learned about the people who help us in our community. Children have shared their own experiences such as visiting a doctor for injections, seeing and hearing ambulances or crossing the road with the lollipop person. Role play is always popular with the children and they have particularly enjoyed the fire engine. We have witnessed children organising their own play, taking on roles, using imaginative language and acting out familiar scenes or experiences.

We had lots of graduates from Firefighter Training School. A range of obstacles challenged the children's physical skills, such as balancing, climbing, jumping and crawling. A well deserved certificate was given to our future firefighters!

Family Story Time

We would love to invite parents into preschool to read to small groups of children. If you speak another language, it would be wonderful if you could share a story or song in that language. It's important the children have the opportunity to hear a variety of languages and we like to celebrate the wealth of languages we have in our Flying Start community.

Term Dates
